ABOUT US

Vista Modulares is one among the high end interior design firms in Bangalore, Karnataka established in the year of 2016. We're a full-service Interior design company with a strong belief that designs should be bespoke. We specialize in high-end residential, hospitality, commercial, and institutional projects with an aim to make each space extraordinary.

Our team embraces the challenge of every project and strives to bring out the best in each space by considering all the different elements. Our diversity of style means we can create designs that span all styles—besides what we feel our own work should be—to meet your target audience and individual needs.

Our team is passionate about creating bespoke design solutions that will make a lasting impression.

Our interior solutions are a wonderful mix of Designs, patterns, colours, space utilisation and everything you need to make your dream space a better place.

ABOUT...

We understand that every client needs and preferences are different. So, we work our hardest to come up with designs that will be their dream realized. Our team is trained in using the latest available technologies, and we can amaze you with fresh ideas at every turn. We'll understand your taste and preferences better than anyone else because we are passionate about fulfilling your online vision.

From uncompromising quality to exquisite design, we're ready to assist you in designing your space with innovative ideas. We believe that when you have a comfortable, beautiful space, it helps you live life peacefully. By allowing yourself to focus on your work and other things, it will make it easier for you to think creatively and relax. Through uncompromising quality and exquisite designs, we'll design the space in a way that will help you feel calm and at ease.

We started with a vision to bring a revolution in the interior design process by reducing the dependency of customers on different contractors, carpenters, products, and other service providers, Vista Modulars by itself functions as a single source for interior design needs. We are a one stop solution for interiors designing services ranging from designing, styling, and product sourcing, to project management and after sales services, we handle everything for your dream interiors.
